

NOTICE OF VACANCY

Program Director for Physical Therapist Assistant (PTA)

REPORTS TO: Dean of Health Sciences

DESCRIPTION OF POSITION: At Mississippi Delta Community College (MDCC) we value the ability to serve students from a broad range of socioeconomic backgrounds, genders, abilities, and orientations. We prioritize applicants who demonstrate they understand the benefits a diverse student population brings to a community college. The successful Health Science (PTA) Program Director will be an equity-minded individual committed to student success by collaborating with faculty, staff, administration, students and community partners who support the institution's mission.

Responsibilities of the program director include organization, administration, periodic review, planning, curriculum development, evaluation, and general effectiveness of the PTA program. Responsibilities also include teaching, counseling, selection, orientation, and supervision of faculty, scheduling of classes, preparing and administering the program budget, and long-range planning. The program director assures effective program operations, oversees ongoing program assessment, participates in budget planning, maintains current knowledge of the professional discipline and educational methodologies through continuing professional development, and assumes the leadership role in the continued development and accreditation of the program. The program director is accountable to the Dean of Health Sciences for fulfilling the position responsibilities.

This position requires teaching program specific courses. As needed, the program director may be assigned to teach in other qualified areas of instruction. The director will also be expected to participate in all normal faculty duties, including summer program, and student advising.

More specifically, the Program Director for is responsible for but not limited to the following:

DUTIES AND RESPONSIBILITIES

- Oversee the function of the Health Science program to ensure the program complies with the college and division's mission and policies
 - Establish and maintain a long-term vision for the program
 - Maintain quality assurance to remain compliant with required agencies
 - Coordinate the annual evaluation of program assessment of institutional effectiveness for the purpose of program improvement and prepares review reports as required by agencies and college policy (Annual Effectiveness Plan)
 - Provide department leadership through excellent communication, within the department, other Health Science departments, Academic departments, and Administration
 - Create and maintain an environment conducive to teaching and learning; monitors student progression and concerns
 - Manage student concerns related to faculty and department
 - Coordinate program activities and delegate responsibilities to faculty as appropriate
 - Create, review, and maintain program handbook and policies
 - Recruit and maintain members of the program Advisory Committee from the community
 - Committee must meet at least once per semester

Mississippi Delta Community College does not discriminate on the basis of age, race, color, national origin, religion, sex, sexual orientation, gender identity or expression, physical or mental disability, pregnancy, or veteran status in its educational programs and activities or in its employment practices. The following person has been designated to handle inquiries regarding the non-discrimination policies: Waunita Roberts Jones, Director of Human Resources, Stauffer-Wood Administration Building, Suite 144, Office 145, P. O. Box 668, Moorhead, MS 38761, 662-246-6309;

EEOC@msdelta.edu.

DUTIES AND RESPONSIBILITIES (cont.)

- Facilitate program and advisory meetings
- Ensure all college reports and requested information are submitted promptly and accurately
- Develop and evaluate policies and procedures for the selection, admission, promotion, and graduation of students
- Develop and maintain student advising activities
 - Coordinate department participation in “Orientation Day”
 - Coordinate department participation in Health Science orientation workshops
 - Coordinate with faculty regarding advising needs of program and Health Science students
- Coordinate hiring, supervision, and evaluation of full-time and part-time program faculty
 - Recruit, review credentials, and recommend part-time and full-time faculty to be hired
 - Serve on interview committees for faculty and staff employment
 - Arrange in coordination with the Dean of Health Sciences, for classes to be covered when an instructor is absent and report absences to the Dean of Health Sciences
 - Facilitate and coordinate faculty activities related to academic policies, faculty development, faculty evaluation and planning, faculty assessment, and program accreditation
 - Manage department faculty/personnel issues, adhering to college policy and expectations
 - Promote teaching excellence, professional development, and service to the college and community, keeping updated on standards and college policies
- Develop and maintain program curriculum to meet state, regional, national, and local health care needs
 - Maintain relationships with administrative authorities and other academic and support units for program planning and development
 - Coordinate development and review of curriculum with members of the department
 - Work with members of the departments to develop a teaching schedule that considers faculty and student needs. Develop schedule for courses for the semester/year in a timely manner. Prepare and update semester/annual class schedule.
 - Oversee the development and evaluate syllabus for each course in the program in cooperation with the program faculty
- Serve as contact person/coordinator for the program with regard to state, professional, and accrediting agencies, the community, and other external contacts
 - Maintain program in good standing with accrediting agencies
 - Regularly assess programs, course, and student outcomes
 - Serve as liaison to the MS Community College Board regarding the program’s continuing compliance. Complete annual reporting requirements for the program
 - Work with the Dean of Health Sciences as liaison to the State and/or National accrediting agency for continuing compliance, completion of annual reporting requirements, and accreditation.
 - Direct program’s self-study process for continuing approval and coordinate accreditation visit.
 - Represent the program at local, state, and national level, and collaborate with community partners
 - Maintain ongoing, meaningful, and regular connections with advisory committees and the industries served by the program
- Prepare, maintain, review program budget with input from faculty, and administer the budget with approval of the Dean of Health Sciences
 - Process all requisitions for equipment and supplies for program
 - Maintain inventory records for program
- Approves payroll work for faculty and staff
